Empathy Map

SAYS • "I don't get why this doesn't work." • "I've read this three times and I'm still stuck." • "Is there a simpler way to explain this?"	THINKS • "Maybe I'm just not smart enough for this." • "I wish someone could tell me exactly what I'm missing." • "I don't want to keep bothering the TA with basic questions."
PERSONA NAME <i>Sushma</i> — <i>Self-Paced Online Learner</i> (Role / User Type: Student)	
DOES • Re-reads the same material multiple times without gaining new understanding. • Searches scattered forum posts instead of asking directly for help. • Delays asking for help until frustration builds up.	FEELS • Anxious about falling behind the rest of the class. • Relieved when guidance is specific and encouraging. • Motivated when small progress is acknowledged.
